Paper Submission Guidelines

All papers will be judged on an equal basis, regardless of the subject area or how they are presented at the conference, with the anonymous crisis system. The authors will be informed whether or not their paper is accepted, or the proposed improvements within a reasonable time from the date of submission of their work.

The papers that will be accepted for presentation will be published in the proceedings of the conference in digital format and the authors, whose work will be selected to be included in the conference proceedings, will receive a certificate of presentation of scientific work. All participants (non-authors) in the conference will receive a conference attendance certificate.

Entries to the Conference and submission of papers for judgement will be made through the official website of the Conference <https://iecat.educircle.gr> (option "Registration- Paper Submission "), according to the instructions and the relevant submission form (template).

Who the Conference addresses to

- the community of teachers of all levels and types of education
- the research community dealing with education
- the community of professionals involved in the design and development of digital systems and services for teaching and learning
- undergraduate and postgraduate students of university departments who incorporate courses on the thematic areas of the Conference in their curricular

3

Ways of presentation of papers to the Conference

Papers may be presented to the Conference in one of the following ways:

Presentations (individual or group). The duration of each contribution is 15 minutes and it will be followed by a discussion): text up to 8 pages.

Workshops - Workshops in which the rapporteur will apply an innovative practice to a group of 15-20 delegates who will participate as trainees. The duration of each workshop is 45 minutes maximum and it will be followed by a discussion): text up to 8 pages.

Round tables (one coordinator in co-operation with 2-3 rapporteurs presenting the individual dimensions or perspectives of a single subject and discussing with the audience). The duration of each round table is 60 minutes maximum including the discussion: text up to 8 pages.

IECAT 2020 "New Challenges in Education"

Innovation

After the end of the Conference and in the beginning of the 2020-2021 school year, the main conclusions will be published and sent to the school units according to the thematic areas of the Conference, as they will come up from the presentations but also through the discussions held during the course of the Conference. These conclusions, which are independent of the publication of the Proceedings, will constitute a proposal and at the same time a frame for a dialogue and further elaboration by the educational community.

Important Dates

- **1st announcement: July 31, 2019**
- **2nd announcement: September 01, 2019**
- **3rd announcement: November 20, 2019**
- **Paper Submission: from the 1st announcement up to January 31st, 2020**
